(b) If approved, the loan will be issued unless:

(1) The participant's employing agency has reported the participant's separation from Government service;

(2) The TSP receives written notice that the participant has died;

(3) The participant's account balance on the loan issue date does not contain sufficient employee contributions and associated earnings to make a loan of at least $1,000;

(4) A hold on the account is processed before the loan is disbursed; or

(5) A taxable distribution on an outstanding loan is declared before the new loan is issued.

(c) If the loan is otherwise acceptable but the amount available to borrow is less than the requested amount (but is at least $1,000), the loan will be issued in the maximum amount available at the time of the disbursement. In such a case, the periodic payment amount will remain the same and the loan term may be shortened.

(d) The loan issue date is considered to be the date the loan was made.

(e) If a loan disbursement is returned as undeliverable, the TSP record keeper will attempt to locate the participant. If the participant does not respond within 60 days, the TSP will repay the loan with the returned loan proceeds.

§ 1655.14   Loan payments.

(a) Loan payments must be made through payroll deduction in accordance with the loan agreement. Once loan payments begin, the employing agency cannot terminate the payroll deductions at the employee's request, unless the TSP instructs it to do so. For example, employing agencies must stop loan payments if the participant becomes a debtor in a chapter 13 bankruptcy action, unless the bankruptcy court expressly permits the payments to continue.

(b) The participant may make additional payments by mailing a personal check or guaranteed funds to the TSP record keeper. If the TSP receives a payment that repays the outstanding loan amount and overpays the loan by $10.00 or more, the overpayment will be refunded to the participant. Overpayments of less than $10 will be applied to

the participant's account and will not be refunded. If a loan overpayment refund is returned as undeliverable, the TSP record keeper will attempt to locate the participant. If the participant does not respond within 60 days, the TSP will forfeit the overpayment refund to the Plan. The participant can claim the forfeited funds, although they will not be credited with TSP investment fund returns.

(c) The initial payment on a loan is due on or before the 60th day following the loan issue date. Interest accrues on the loan from the date of issuance.

(d) Subsequent payments are due at regular intervals as prescribed in the loan agreement, or most recent amortization, according to the participant's pay cycle.

(e) If a payment is not made when due, the TSP will notify the participant of the missed payment and the participant must make up the payment in full. If the participant does not make up all missed payments by the end of the calendar quarter following the calendar quarter in which the first payment was missed, the TSP will declare the loan to be a taxable distribution in accordance with § 1655.15. The participant's make-up payment must be in the form of a personal check or guaranteed funds.

(f) Interest will accrue on all missed payments and will be included in the calculation of any taxable distribution subsequently declared in accordance with § 1655.15. Interest will also accrue on payments missed while a participant is in nonpay status.

§ 1655.15   Taxable distributions.

(a) The Board may declare any unpaid loan principal, plus unpaid interest, to be a taxable distribution from the Plan if:

(1) A participant is in a confirmed nonpay status for a period of one year or more, has not advised the TSP that he or she is serving on active military duty, and payments are not resumed after the participant is notified the loan has been reamortized;

(2) A participant separates from Government service and does not repay the outstanding loan principal and interest in full within the period specified by the notice to the participant from the
